

3: Dumela

Get to know our Payment Process,

We have changed it up a bit!!
Now you can make payment on the Net Nine Nine app.

Step 1: Go to Google Play Store or Apple Store and download the app or google: app.netninenine.co.za

Step 2: Once on the app click the Login button and input your username, or register a new account.

Step 3: Click the “forgot password” button then check your email and click the reset password link.

Step 4: Once you set up your password, Log back into your app.

Step 5: Click “Banking details” button on the top left of the app.

Step 6: Click the "Register Button" in the top left corner of the app to create a new account.

Step 7: Fill out the spaces with your personal information, being careful to include the right location.

Step 8: Check your email after registering to confirm your account.

Step 9: You can now input your credit or debit card details

Step 10: Click the “My packages” button and Look for “View package” button.

Step 11: You will now be able to view your current orders and make a payment.

We got you! We'll have you connected crazy fast! For Real!
