These Terms and Conditions apply to your use of our website, [NetNineNine.co.za](https://NetNineNine.co.za). All users are bound by these Terms and Conditions and by registering or using the site at all, you recognise that you have read and understood these Terms and Conditions and agree to be bound by them. Please do not use our website if you do not agree to be bound by these Terms as all online purchases from our website are subject to these Terms and Conditions.

### 3. Online Terms and Conditions, Duration & Payment Terms

These Online Terms and Conditions are a contract between you and [NetNineNine.co.za](https://NetNineNine.co.za). The company has its physical address at 381 Ontdekkers Road, Florida Park, Roodepoort, Gauteng, 1709. [NetNineNine.co.za](https://NetNineNine.co.za) elects this physical address for all purposes regarding these terms and conditions, whether for legal notice or serving of other communication documents of any kind.

The Customer accepts and agrees that these Conditions will become binding on it once Net Nine Nine has processed the Application Form and agreed to provide the Customer with the Services.

These Conditions will continue to be binding on the Customer in respect of:

- o Residential Fibre Internet Services, on a month-to-month basis or
- o Business Fibre Internet Services, on a contractual basis or
- o all other services, on a month-to-month basis; or until such time as the Services are cancelled in accordance with these Terms and Conditions.

#### General Payment Terms

Net Nine Nine will provide the Customer with a monthly Invoice on the Invoice Date.

Unless the Customer notifies Net Nine Nine in writing (at [billing@NetNineNine.co.za](mailto:billing@NetNineNine.co.za)) within 3 days of receipt of an Invoice to the contrary, the contents of such Invoice will be deemed to be correct and will not be disputable.

We try our best to keep our pricing up to date on the website and in the application process, but errors do happen. Please double check with our sales department for the latest pricing.

The Fees must be paid by the Customer in full, without deduction or set off and free of bank charges on the Invoice Date, unless agreed otherwise by Net Nine Nine in writing or unless the Invoice has been submitted as a dispute in line with these Terms and Conditions.

#### Unpaid Fees and Credit Limits

Should the Customer fail to make payment of the Fees in line with the Terms and Conditions:

- a. interest on any unpaid and outstanding Fees will accrue on a monthly basis at a rate of 2% above Prime Rate until the Fees are paid in full;

- b. Net Nine Nine will be entitled to cease supplying current Services to the Customer and/or refuse the supply of new services to the Customer until such time as it receives payment in full of the outstanding amounts (including any interest accrued thereon);
- c. for a period of more than 30 days from the Invoice Date, Net Nine Nine may submit the outstanding Invoice/s to a collections agency/firm. In the event of the Invoice/s being handed over to an outside collection agency, any costs incurred by Net Nine Nine in the collection process will be for the Customer's account;
- d. If the Customer account is month-to-month, to suspend the account until such time as full payment has been received for the next month;
- e. Net Nine Nine may place a "non-payment" page on the Customer's domain (if webhosting forms part of the Services) and the DNS of the Customer's domain will remain unchanged until such time as Net Nine Nine receives payment in full of the outstanding amounts (including any interest accrued thereon);
- f. for a period of more than 30 days from the Invoice Date, Net Nine Nine will cancel the fibre internet connection to the Customer within [10 days] of delivering to the Customer a written notice to that effect.
- g. In order to increase or decrease the default credit limit, the Customer must submit a written request to that effect to [accounts@netninenine.co.za](mailto:accounts@netninenine.co.za).

If your line has been suspended due to non-payment you are still liable for the line fee for the month. Should you wish to cancel the billing you will need to send a cancellation request to our accounts department [accounts@netninenine.co.za](mailto:accounts@netninenine.co.za).

Should you wish to reconnect the cancelled services you will be charged a re-connection fee depending on the Fibre network you are connecting to. The reconnect fee will need to be paid before we can reconnect your services.

### Methods of Payment

The Customer may pay the Fees by means of a debit order. The bank details WILL NOT change without an official message on our website. do not pay into any other account than the details found on our site at <https://www.NetNineNine.co.za>.

A processing fee of R50.00 (including VAT) will be charged on all returned debit orders.

The merchant outlet country at the time of presenting payment options to the cardholder is South Africa. Transaction currency is South African Rand (ZAR).

If the preferred method of payment by the Customer is EFT, and Net Nine Nine has confirmed that payment may be made by EFT, it is the sole responsibility of the Customer to ensure that all payments are made using the correct beneficiary reference as indicated on the Invoice or communicated to the Customer. Failure to comply may result in an incorrect allocation of the payment which may cause service disruption as a result of the account being suspended due to non-payment.

For purposes of payment by credit card, the merchant outlet country at the time of presenting payment options to the cardholder is the RSA and the transaction currency is South African Rand (ZAR).

#### Fee Increases

The Customer acknowledges and agrees that Net Nine Nine will be entitled, on 30 days' written notice to the Customer, to increase the Fees payable by the customer in circumstances of the direct costs to Net Nine Nine in providing the Services (including, without limitation, the charges charged by the network provider(s) in respect of such services) being increased. The increases to the Fees shall be commensurate with the increased costs of providing the Services.

#### Refunds

Net Nine Nine will not credit any customer because of Fibre downtime caused by maintenance on a fibre line, break in connection, power failures, slow speeds caused by FNO's network, load shedding or any reason caused by third parties.

Net Nine Nine will process authorised refunds to customers with due urgency.

#### Reconciliation or Historical Information

The Customer may request a reconciliation of its account, by submitting a request in writing to [accounts@netninenine.co.za](mailto:accounts@netninenine.co.za).

If the reconciliation proves the balance of the account to be accurate (within a 5% margin), a once off charge of R150.00 per reconciliation will be applied to the Customer's next Invoice.

## 4. Services and Equipment

#### General

Net Nine Nine provides the Services to the Customer in terms of the Conditions. All Services are provided to the Customer on a month-to-month basis (except for domain registration services which are provided on an annual basis), and will automatically renew at the end of each month (or year, as the case may be) unless cancelled by the Customer in accordance with these Conditions.

All Fibre to the Home or Business services are billed one month in advance. If you subscribe during the middle of a month, you will be billed a pro-rata amount for the rest of the month.

#### Equipment

Net Nine Nine will supply equipment at the Customer Premises at a cost of R200 delivery fee. This fee is payable before Net Nine Nine will ship the equipment.

If any supplied equipment needs to be returned to Net Nine Nine, the cost thereof will be for the client.

Net Nine Nine will maintain the Equipment at its own cost, provided that the Customer will be liable to Net Nine Nine for any damage, destruction or theft of the Equipment which damage, destruction or theft is attributable to the Customer's acts or omissions.

Net Nine Nine has the right to inspect the Equipment at all reasonable times during the currency of the Conditions and to remove the Equipment on termination of these Conditions for any reason.

Other than the Equipment, Net Nine Nine will not be liable for the maintenance of any equipment provided by or on behalf of the Customer and/or whether utilized in conjunction with the Services.

The client should not remove any equipment installed by the FNO (Fibre Network Operator) for example ONT or CPE, if any of these units are removed by the client, the client will be liable for any costs incurred by Net Nine Nine from such Fibre Network Operator.

#### Remote Support / Support Services

For any remote assistance, the customer needs to call Net Nine Nine call centre or open a ticket via [support@NetNineNine.co.za](mailto:support@NetNineNine.co.za)

The Customer is responsible for maintaining the confidentiality of its password and other related sensitive information for its user account. In the event of a breach of security through the Customer's account, the Customer will be liable for any unauthorized use of Net Nine Nine Infrastructure and Services, including any damages resulting there from, until the Customer notifies Net Nine Nine customer service of such a breach and Net Nine Nine has been able to rectify the breach.

The Customer will be liable for any additional costs incurred by Net Nine Nine due to poor passwords or other credentials of the Customer in relation to the Customer's user account (for example: blank passwords or "test" accounts).

If Net Nine Nine assigns the Customer an Internet Protocol address in connection with its use of the Net Nine Nine Infrastructure and/or Services, the ownership of and right to use that Internet Protocol address will remain with and belong only to Net Nine Nine, and the Customer will have no right to use that Internet Protocol address except as allowed by Net Nine Nine in its sole and absolute discretion.

These Online Terms and Conditions do not affect your statutory rights, including your rights under any applicable consumer laws, which cannot be altered by contract.

Subject to any warranties that may be implied by the CPA to the extent that the CPA is applicable to these Conditions and the Customer, Net Nine Nine does not, make any representations nor, give any warranty or guarantee of any nature whatsoever, whether express or implied, in respect of the Services or the Equipment including but not limited to implied warranties of merchantability and fitness or suitability for any intended purpose, nor that the Services will be error-free, secure or uninterrupted.

Net Nine Nine will not be liable for any delay in performing or any failure to perform any of its obligations in terms of the Conditions due to any cause beyond its reasonable control.

Upon the occurrence of any delay or failure referred to in this clause the provisions of the Conditions which are affected shall be suspended for as long as the cause in question continues to operate, provided that if the delay or failure referred to in this clause, has not ceased to operate within a period of 3 months from the date upon which it arose, the Services may by way of notice in writing be cancelled by either Party.

## 7. Cancellation of Services & Dispute Resolution

Should Net Nine Nine commit a breach of any of the provisions of these Conditions and fail to remedy that breach within 7 business days after receipt from the Customer of written notice calling upon it so to do, then the Customer will be entitled to either:

- enforce specific performance of the terms hereof; or
- cancel the Services with effect from the beginning of the following calendar month and recover such damages as it may have sustained, subject to the provisions of these Terms and Conditions.

In addition to any other cancellation rights which the Customer may have in these Conditions, the Customer may cancel the Services at any time provided that they provide Net Nine Nine with one full calendar month's notification – in such circumstances, the Services will be cancelled with effect from the last day of the month during which the Calendar months' notice period expires.

The Customer will be liable for the full cost of the domain registration price if the Customer cancels the free domain registration service within the first 12 months.

The Customer will be liable for the full cost of any Fibre line ordered by completing the Application Form and then cancelling such Application Form. This could include activation and connection fees that Net Nine Nine have incurred.

Customers must notify the accounts department of a cancellation request in writing by emailing [cancellations@NetNineNine.co.za](mailto:cancellations@NetNineNine.co.za).

In addition to any other cancellation rights which Net Nine Nine may have in these Conditions, if the Customer breaches any term of these Conditions including any failure to pay Net Nine Nine any monies on due date, and fail to remedy that breach within 7 business days after receipt from Net Nine Nine of written notice calling upon it so to do, then Net Nine Nine will be entitled without prejudice to any right it may have as a result of that breach, cancel these Conditions and cease providing the Services to the Customer – this remedy will not be exhaustive and will be in addition and without prejudice to any others Net Nine Nine may have under or in consequence of these Conditions.

If an application for business rescue proceedings or liquidation is filed by or against the Customer, or if the customer is sequestrated, liquidated, goes out of business or announces intention to do so, Net Nine Nine will be entitled to immediately cancel these Conditions and terminate current Services to the Customer, upon notice to the Customer.

If the supply of the Services is terminated in accordance with these terms, the full outstanding balance of the Customer becomes due and payable immediately.

If your line has been suspended due to non-payment you are still liable for the full monthly package fee for the months the line is suspended. Should you wish to cancel the billing you will need to send a cancellation request to our accounts department [cancellations@NetNineNine.co.za](mailto:cancellations@NetNineNine.co.za). Should you wish to reconnect the cancelled services you will be charged a re-connection fee depending on the Fibre network you are connecting to. The reconnect fee will need to be paid before we can reconnect your services.

Please note that by default we require one full calendar month's notification of non-renewal. If you do not provide this notice, you will be charged the rate stipulated on the relevant product page for the next renewal term. To illustrate, for non-renewal to be affected at the end of November, notice of non-renewal must be received on or before the last day of October. If a client cancels within the first 30 Days, the client will be liable to pay any activation fees that Net Nine Nine incurred on behalf of the client.

If the client re-connects a service at a previously cancelled address, The customer will be liable to pay for the re-connection fee.

Any dispute between the Parties in regard to any matter arising out of any Invoice and/or these Conditions or their interpretation or their respective rights and obligations arising thereunder or their cancellation or any matter arising out of their cancellation, must first be (attempted to be) resolved by the Customer and a manager of Net Nine Nine in accordance with the following procedure:

the Customer must submit to [complaints@coolideas.co.za](mailto:complaints@coolideas.co.za) a written complaint / dispute setting out the Customer's full particulars, contact details, customer reference number, relationship with Net Nine Nine, statement of reasons for the complaint / dispute and any relevant evidence or supporting documentation;

Net Nine Nine must:

- acknowledge receipt of the complaint / dispute within 3 business days of its submission by the Customer; and
- determine the outcome of the complaint / dispute and communicate this result to the Customer within 14 business days of the above acknowledgement.
- Net Nine Nine will not entertain any dispute / complaint in respect of an Invoice or Fees based on unauthorised use of the Services, it being the Customer's responsibility to safeguard access to the Services which it receives and to use the Services in the manner set out in these Conditions.
- If the Customer is not satisfied with the outcome in as above, then the complaint / dispute will be submitted to and determined by arbitration. Such arbitration will be held in Johannesburg unless otherwise agreed to between the Parties in writing and will be held in a summary manner with a view to the proceedings being completed as soon as possible.

There will be 1 arbitrator whose appointment will be agreed upon between the Parties but failing agreement between them within a period of 10 Business Days after the arbitration has been demanded, either of the Parties will be entitled to request the chairperson for the time being of the Johannesburg Bar Council to make the appointment who, in making his appointment, will have regard to the nature of the dispute.

The decision of the arbitrator will be final and binding on the Parties and may be made an order of any court of competent jurisdiction.

Each of the Parties hereby submits itself to the jurisdiction of the Gauteng Local Division of the High Court of South Africa, Johannesburg should the other Party wish to make the arbitrator's decision an order of that Court.

## 8. Cancellation of Services & Dispute Resolution

The provisions of the Acceptable Use Policy:

- form part of the Conditions;
- are binding on the Customer; and
- are intended as guidelines and are not meant to be exhaustive.

Generally, conduct that violates any law, regulation, or the accepted norms of the Internet community, whether or not expressly mentioned in the Acceptable Use Policy, is prohibited. Net Nine Nine prohibits activities that may damage its commercial reputation and goodwill and reserves the right to take such steps as it may deem required in order to protect itself from such damage being caused by the Customer.

### The Customer must:

use the Internet and Net Nine Nine Infrastructure for his/her own personal use only and must do so with respect, courtesy, and responsibility, giving due regard to the rights of other Internet and/or Net Nine Nine Infrastructure users;

have a basic knowledge of how the Internet functions, the types of uses which are generally acceptable, and the types of uses which are to be avoided.

The Customer acknowledges and agrees that Net Nine Nine is unable to exercise control over the content of the information passing over the Net Nine Nine Infrastructure and the Internet, including any websites, electronic mail transmissions, news groups or other material created or accessible over the Net Nine Nine Infrastructure. Accordingly, Net Nine Nine is not responsible for the content of any messages or other information transmitted over the Cool Infrastructure and/or Internet.

The Customer agrees to indemnify Net Nine Nine and its Affiliates in full and on demand from and against any loss, damage, costs or expenses which they may suffer or incur directly or indirectly as a result of the Customer's use of the Net Nine Nine Infrastructure and/or Internet otherwise than in accordance with the Acceptable Use Policy, the Conditions and the Applicable Laws.

### Prohibited, Unacceptable and Unlawful Use

The Net Nine Nine Infrastructure may be used only for lawful purposes and Customers may not violate any Applicable Laws when using the Net Nine Nine Infrastructure and/or the Internet.

Transmission, downloading, distribution or storage of any material on or through the Net Nine Nine Infrastructure in violation of Applicable Laws by the Customer is prohibited. This includes, without limitation, material protected by copyright, trademark, trade secrets or other intellectual property right used without proper authorisation, and material that is obscene, defamatory, constitutes an illegal threat, violates export control laws, constitutes child sexual abuse imagery, pirated software, illegal downloads, "**Hackers programs or archives**", "**Warez Sites**", "**Irc Bots**", "**Illegal Mp3's**", drug dealing or other illegal activities.

The Customer is prohibited from posting of defamatory, scandalous, violent or private information about a person without their consent, intentionally inflicting emotional distress, or violating trademarks, copyrights, or other intellectual property rights.

## Web Hosting

Due to the nature of a shared web hosting environment, Net Nine Nine reserves the right to ask Customers to upgrade or correct issues pertaining to upgrade their shared web hosting package, or to correct issues on their shared web hosting package, should it adversely affect the Net Nine Nine Infrastructure, network or server performance for the majority of the Net Nine Nine web hosting customers.

The Net Nine Nine shared web hosting platform is intended for hosting a website with relevant content and function for a personal or small home business without the concern of traffic overages. The use of the service should not be indicative for large scale enterprises or applications where a dedicated server would be more suited.

Net Nine Nine prohibits the use of the shared web hosting service disk space to be utilised for purposes other than its intended function, which intended function is: content hosting, personal and small enterprise email and relevant web files.

The use by the Customer of shared or dedicated hosting services for hosting torrent boxes and/or running proxies is strictly prohibited. Servers continuously running a risk of supporting these types of services will be disabled and cancelled from the Net Nine Nine Infrastructure.

Net Nine Nine may at any time with reasonable notice to the Customer (if such Customer makes use of the web hosting services), revise or amend its current shared and dedicated web hosting offerings relating to price, features, traffic, allocations and disk sizes.

Net Nine Nine Web Hosting AUP can be found here <https://www.cisp.co.za/webhosting-acceptable-use-policy/>

## Business Use

The Customer acknowledges that:

- there is a distinction between residential/home internet services (fibre-to-the-home) and business services (fibre-to-the-business);
- a high number of users (on average, more than 5 users) accessing the Net Nine Nine Infrastructure and/or Internet through a single account, it would result in a higher cost incurred by Net Nine Nine to service such an account based on the Net Nine Nine uncapped, unlimited and unshaped model;
- Accordingly, the Customer acknowledges and agrees that, unless it is a Business Customer, it may not allow more than 5 users to access the Net Nine Nine Infrastructure through its account at any given time. Failure to adhere to this requirement may result in the Customer incurring additional charges and Net Nine Nine may immediately suspend or terminate the Services of such a Customer without notice.

## System and Network Security

- All references to systems and networks under this section includes the Internet (and all those systems and/or networks to which the Customer is granted access through Net Nine Nine) and includes but is not limited to the Net Nine Nine Infrastructure itself.
- The Customer may not circumvent user authentication or security of any host, network, or account (referred to as "**cracking**" or "**hacking**"), nor interfere with service to any user, customer, host, or network (referred to as "**denial of service attacks**").

- Violations of system or network security by the Customer are prohibited, and may result in civil or criminal liability. Net Nine Nine will investigate incidents involving such violations and will involve and will co-operate with law enforcement officials if a criminal violation is suspected.
- Examples of system or network security violations include, without limitation, the following:
- unauthorised access to or use of data, systems or networks, including any attempt to probe, scan or test the vulnerability of any system or network or to breach security or authentication measures without the express authorisation of Net Nine Nine;
- unauthorised monitoring of data or traffic on the network or systems without express authorisation of Net Nine Nine;
- interference with service to any user, customer, host or network including, without limitation, mail bombing, flooding, deliberate attempts to overload a system and broadcast attacks;
- forging of any TCP/IP packet header (spoofing) or any part of the header information in an email or a newsgroup posting; and
- employing posts or programs which consume excessive CPU time or storage space, permits the use of mail services, mail forwarding capabilities, POP accounts, or auto responders other than for their own account; or resale of access to CGI scripts installed on the Net Nine Nine servers.

#### Email Use and Spamming

- It is expressly prohibited to send unsolicited mail messages ("*junk mail*" or "*spam*"), including, without limitation, commercial advertising and informational announcements, and the Customer will refrain from doing so.
- The Customer will not use another site's mail server to relay mail without the express permission of the site (known as public relay) or distributing, advertising or promoting products or software or services that have the primary purpose of encouraging or facilitating unsolicited commercial e-mail or spam.
- Net Nine Nine may examine the Customer's mail servers to confirm that no mails are being sent from the mail server through public relay and the results of such checks can be made available to the Customer. All relay checks will be done in strict accordance with Net Nine Nine's policy of preserving customer privacy.
- The Customer may not use the Net Nine Nine Infrastructure and/or servers to effect or participate in any of the following activities:
- posting to any Usenet or other newsgroup, forum, e-mail mailing list or other similar group or list articles which are off-topic according to the charter or other owner-published FAQ or description of the group or list;
- sending unsolicited mass e-mailings, if such unsolicited e-mailings provoke complaints from the recipients;
- engaging in any of the foregoing activities using the service of another provider, but channelling such activities through the Net Nine Nine Infrastructure (or a Net Nine Nine provided server, or using a Net Nine Nine provided server as a maildrop for responses);
- falsifying user information provided to Net Nine Nine or to other users of the service in connection with use of a Net Nine Nine service.

#### Fair Access

- To help ensure that all Customers have fair and equal use of the Services and to protect the integrity of the Net Nine Nine Infrastructure, Net Nine Nine reserves the right, and will take

necessary steps, to prevent improper or excessive usage of the Net Nine Nine Infrastructure. These steps include, but are not limited to:

- limiting throughput;
- preventing or limiting Service through specific ports or communication protocols; and/or
- complete termination of Services to users who grossly abuse the Net Nine Nine Infrastructure through improper or excessive usage.
- This applies to and will be enforced for intended and unintended (e.g., viruses, worms, malicious code, or otherwise unknown causes) prohibited usage.
- Online activity will be subject to the available bandwidth, data storage and other limitations of the Service provided, which Net Nine Nine may, from time to time, revise at its own discretion and without prior notice to the Customer.

### Reporting Network Abuse and Complaints

Anyone may report a complaint, a violation or suspected violation of the Acceptable Use Policy to Net Nine Nine by contacting Net Nine Nine via email: [Complaints@NetNineNine.co.za](mailto:Complaints@NetNineNine.co.za)

- Breach of the Acceptable Use Policy
  - Net Nine Nine may, in its sole discretion, determine what constitutes a breach of the Acceptable Use Policy.
  - Upon Net Nine Nine becoming aware of an alleged violation of the Acceptable Use Policy, it may:
    - initiate an investigation into this alleged violation within a reasonable time after becoming aware thereof;
    - restrict or completely withdraw the Customer's access to the Net Nine Nine Infrastructure and Internet during the investigation in order to prevent further possible unauthorized activity – in these circumstances the Customer is not entitled to service credits for these outages.
  - If the Customer is found in violation of the Acceptable Use Policy, Net Nine Nine may, in its sole discretion, restrict, suspend, or terminate the Customer's account and/or pursue other civil remedies (including but not limited to any costs associated with the investigation of a substantiated policy violation). Generally, violations will be dealt with as follows, however, Net Nine Nine may deviate from this if it determines it necessary:
    - first violations by the Customer of the Acceptable Use Policy will result in the Customer being liable for a Cleanup Fee of R1,500 and the Customer's account will be reviewed for possible termination;
    - second violations by the Customer of the Acceptable Use Policy will result in the Customer being liable for a Cleanup Fee of R3,500 and immediate termination of the Customer's account.
  - If a violation is a criminal offence, Net Nine Nine will notify the appropriate law enforcement department of such violation.
  - The Customer will be liable for any and all costs incurred by Net Nine Nine as a result of the Customer's violation of the Acceptable Use Policy. This includes, but is not limited to, legal fees on an attorney-client basis and costs resulting from Postmaster responses to complaints from and the clean-up of unsolicited commercial mailings and/or unauthorized bulk mailings and/or news server violations, and an investigation fee of no more that R1,500 per hour that Net Nine Nine personnel must spend to investigate any violations.

In order to remember your preferences we need to set cookies so that this information can be called whenever you interact with a page is affected by your preferences.

### *Third Party Cookies*

In some special cases we also use cookies provided by trusted third parties. The following section details which third party cookies you might encounter through this site.

This site uses Google Analytics which is one of the most widespread and trusted analytics solution on the web for helping us to understand how you use the site and ways that we can improve your experience. These cookies may track things such as how long you spend on the site and the pages that you visit so we can continue to produce engaging content.

For more information on Google Analytics cookies, see the official Google Analytics page.

From time to time we test new features and make subtle changes to the way that the site is delivered. When we are still testing new features these cookies may be used to ensure that you receive a consistent experience whilst on the site whilst ensuring we understand which optimisations our users appreciate the most.

As we sell products it's important for us to understand statistics about how many of the visitors to our site actually make a purchase and as such this is the kind of data that these cookies will track. This is important to you as it means that we can accurately make business predictions that allow us to monitor our advertising and product costs to ensure the best possible price.

Several partners advertise on our behalf and affiliate tracking cookies simply allow us to see if our customers have come to the site through one of our partner sites so that we can credit them appropriately and where applicable allow our affiliate partners to provide any bonus that they may provide you for making a purchase.

We also use social media buttons and/or plugins on this site that allow you to connect with your social network in various ways. For these to work the following social media sites including (but not limited to)

- Facebook
- Twitter
- Instagram

will set cookies through our site which may be used to enhance your profile on their site or contribute to the data they hold for various purposes outlined in their respective privacy policies.
